5 % - < 15 % non-ionic surfactants (washing-active substance), < 5 % anionic surfactants (washing-active substance), preservatives (benzyl alcohol) (nature-identical preservative)

Certification

Ulrich natürlich gall soap is certified by ECO-Control according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard covers in particular washing and cleaning products, textile and leather care products.

Application

Apply gall soap directly to the dirty areas. Then leave it to work for 10 minutes and rinse with lukewarm water or wash the entire laundry with gall soap. Machine wash with 35 ml per 4.5 kg of dry laundry (without additional detergent), alternatively hand wash with 15 ml per 10 kg of water.

Storage

Store in a cool, dry place. Protect from sunlight.
Recommendation: Use within 6-12 months after opening.

Container

250ml bottle
5 L canister
