

Nature descaler for fully automatic coffee machines

Ulrich
natürlich

Advantages of the product

- Best cleaning & care of fully automatic coffee machines and coffee machines
- With lactic acid, which removes limescale deposits twice as effectively as vinegar or citric acid
- With practical scale on bottle can be used for up to 5 applications
- By heating the descaling liquid, the effect is increased enormously

Concentrate: economical and efficient in use

No animal testing

Without dyes, optical brighteners, bleaches, palm oil, enzymes, petrochemical ingredients

Only essential ingredients are used in our products

Easily biodegradable & environmentally friendly

Certification

The Ulrich natürlich descaler is certified as NCP-Vegan by ECO-Control according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care products.

In addition, the Ulrich natürlich descaler is registered with the Vegan Society. The Vegan Society checks, among other things, all raw materials used in the Ulrich natural recipes and classifies them as vegan if they meet the relevant guidelines.

Application

Ulrich natürlich descaler for fully automatic coffee machines is very economical to use.

Depending on the level of limescale build-up, we recommend a dosage of 1:3 - 1:5.

Tip: In case of severe calcification, we recommend a dosage of 1:3.

Storage

Store in a cool, dry place. Protect from sunlight.

Recommendation: Use within 6-12 months after opening.

Container

500ml bottle

Label elements Regulation (EC) No 1272/2008
