

Advantages of the product

- Suitable for cleaning below the water level in the toilet
- For removing limescale, urine scale, dirt and bacteria
- Easy & quick application
- Ideal dosage through tab application

Concentrate: economical and efficient in use

Without dyes, fragrances, microplastics

Only essential ingredients are used in our products

Ingredients

Product contains: citric acid, anhydrous and, maleic acid. Less than 5% anionic surfactant.

Application

Place 1 toilet tablet directly into the toilet drain and let it sit overnight, for example, then flush. For light soiling, the residue can be removed with a brush after about 60 minutes. Depending on the level of soiling, a longer soaking time is recommended. Adding hot water enhances the cleaning effect. Store in a cool, dry, dark place at room temperature.

Storage

- Store in a cool, dry place away from direct sunlight.
- Keep out of direct sunlight.
- Use within 12 months of opening.
- Keep out of reach of children.

Container
