

# Detergent actifresh with deodorant effect

Ulrich  
natürlich

## Advantages of the product

- Especially recommended for sports and workwear
- Odor absorber prevents unpleasant odors
- No bleach, which would damage prints or flocking on textiles
- Best washed immediately before first use
- For temperature ranges from 20° - 95° C
- Suitable for all water hardness

Concentrate: economical and efficient in use

No animal testing

Without dyes, optical brighteners, bleaches, palm oil, enzymes, petrochemical ingredients

Only essential ingredients are used in our products

Easily biodegradable & environmentally friendly

## Labelling of ingredients according to Regulation (EC) No 648/2004

5 % - < 15 % non-ionic surfactants, < 5 % anionic surfactants, preservatives (benzyl alcohol)

## Certification

The Ulrich natürlich detergent actifresh is certified as NCP-Vegan by ECO-Control according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care.

In addition, the Ulrich natürlich detergent actifresh is registered with the Vegan Society. The Vegan Society checks, among other things, all raw materials used in the Ulrich natürlich recipes and classifies them as vegan if they meet the relevant guidelines.

## Application

Use the detergent for hand and machine washing at temperatures between 20°C and 95°C, regardless of water hardness.

Dosage: 30 ml per 4.5 kg of dry laundry for all degrees of hardness and temperature ranges.

## Storage

Store in a cool, dry place. Protect from sunlight.

Recommendation: Use within 6-12 months after opening.

## Container

1000 ml bottle
