

# Dishwashing detergent Aloe Vera

## Advantages of the product

- Removal of light & stubborn dirt from dishes & cutlery
- Degreaser
- Economical & efficient: just a few drops are enough for optimal rinsing results
- With skin-care ingredients of aloe vera

Economical and efficient in use

No animal testing

Without dyes, optical brighteners, bleaches, palm oil, enzymes, petrochemical ingredients

Only essential ingredients are used in our products

## Labelling of ingredients according to Regulation (EC) No 648/2004

5 % - < 15 % non-ionic surfactants, < 5 % anionic surfactants, preservatives (benzyl alcohol)

## Certification

The Ulrich natürlich dishwashing detergent aloe vera is certified by ECO-Control as NCP-Vegan according to the latest Nature Care Product Standard (NCPs). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care products.

In addition, Ulrich natürlich dishwashing detergent aloe vera is registered with the Vegan Society. The Vegan Society checks, among other things, all raw materials used in Ulrich natürlich recipes and classifies them as vegan if they meet the relevant guidelines.

## Application

Use our Ulrich natürlich dishwashing detergent aloe vera for light and stubborn dirt on dishes. The high fat solubility and foam formation in particular will make your dishes shine like new.

Use our dishwashing detergent sparingly. Just 4 ml in 5 L of water is enough for a satisfactory result.

Tip: Adjust the dosage for stubborn dirt!

## Storage

Store in a cool, dry place. Protect from sunlight.  
Once opened, use within 6 months.

## Container

25 L canister
