Easily biodegradable & environmentally friendly

Labelling of ingredients according to Regulation (EC) No 648/2004

5 % - < 15 % non-ionic surfactants, < 5 % anionic surfactants, preservatives (benzyl alcohol)

Certification

The Ulrich natürlich down detergent is certified by ECO-Control as NCP-Vegan according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care.

In addition, Ulrich natürlich down detergent is registered with the Vegan Society. The Vegan Society checks, among other things, all raw materials used in Ulrich natürlich recipes and classifies them as vegan if they meet the relevant guidelines.

In addition, the product has carried the "very good" seal from Dermatest since 03/2022.

Application

The Ulrich natürlich down detergent is suitable for both machine and hand washing.

Dosage: 20 ml per 2.5 kg of dry laundry for all degrees of hardness and temperature ranges.
Please follow the care instructions of the textile manufacturer!
