Only essential ingredients are used in our products

Easily biodegradable & environmentally friendly

Labelling of ingredients according to Regulation (EC) No 648/2004

≥ 30 % soap

Certification

Ulrich natürlich gall soap is certified by ECO-Control according to the latest Nature Care Product Standard (NCPs). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard covers in particular washing and cleaning products, textile and leather care products.

Application

Follow the care instructions! Wool: moisten soap and lather. Massage the lather into the stain.

All other textiles: rub the stain with soap and leave for 1-2 minutes. Use before hand or machine washing.

Storage

Store in a cool, dry place. Protect from sunlight.

Recommendation: Use within 6-12 months after opening.

Container

100 g box
