Certification

The Ulrich natürlich universal cleaner aloe vera is certified by ECO-Control as NCP-Vegan according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care.

In addition, the Ulrich natürlich universal cleaner aloe vera is registered with the Vegan Society. The Vegan Society checks, among other things, all raw materials used in the Ulrich natürlich recipes and classifies them as vegan if they meet the relevant guidelines.

Application

The Ulrich natürlich universal cleaner aloe vera is a universally applicable household cleaner. Cleans all normal dirt in the kitchen, bathroom and toilet, on tiles and windows. It is a highly effective and very economical cleaning agent for household and commercial purposes. Ulrich natürlich universal cleaner aloe vera is a strong grease-dissolving agent and contains high-quality aloe vera extract.

The product is concentrated, so 5 ml per 10 L of water is sufficient.

Tip: Adjust the dosage in the case of stubborn dirt!
