

# Wool detergent with lanolin

Ulrich  
natürlich

## Advantages of the product

- Excellent for wool, cotton, silk & fur
- With moisturising lanolin for a pleasant and soft feel
- With lactic acid, which reduces limescale deposits on the textile and in the machine
- For temperature ranges from 20° - 60° C
- Suitable for all water hardness

Concentrate: economical and efficient in use

No animal testing

Without dyes, optical brighteners, bleaches, palm oil, enzymes, petrochemical ingredients

Only essential ingredients are used in our products

Easily biodegradable & environmentally friendly

## Labelling of ingredients according to Regulation (EC) No 648/2004

5 % - < 15 % non-ionic surfactants, < 5 % anionic surfactants, preservatives (benzyl alcohol)

## Certification

The Ulrich natural wool detergent with lanolin is certified by ECO-Control according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care.

In addition, the product has carried the "very good" seal from Dermatest since 03/2022.

## Application

The Ulrich natural detergent with lanolin is suitable for both machine and hand washing.
