| <ul style="list-style-type: none">• < 5% non-ionic tensides*• Ethanol• Lactic acid• Water• *Tensides from vegetable origin |
|---|

Declaration of ingredients according to EU regulation 648/2004

Biodegradability

Raw materials used for **Ulrich natürlich clear rinse for dishwasher** are easily biodegradable.

Application / dosage

Pour into the reservoir of the dishwasher, check often and refill if necessary.

Dosage: according to the machine manufacturer's instructions. Underdosing leads to lime streaks and drip formation, overdosing leads to streak formation.

Storage / use

Store in a cool and dry place. Protect from sunlight

Certification

Ulrich natürlich clear rinse for dishwasher is certified by ECO-Control as NCP-Vegan according to the most recent Nature Care Product Standard (NCPS)

The **Nature Care Products Standard** regulates the requirements of certified care products. **The NCP standard** covers, in particular, detergents and cleaning agents, textile and leather care.
